## CERVICAL HEALTH & HIV

May 27 | 12:00-1:30 PM

**Open to all individuals who have a cervix and are living with HIV.**

Join Ribbon Community Peers and the folks from the NOVA-HIV study for a lunch and a discussion about dealing with cervical cancer while living with HIV.

This discussion will include topics such as prevention and diagnosis of cervical cancer.

To **register** for this event, please contact Joshna at [JoshnaH@RibbonCommunity.org](mailto:JoshnaH@RibbonCommunity.org).

A \$25 honorarium will be given to all participants.
